BEGINNING BAND PRACTICE LOG 5th Six Weeks Name

The Practice Chart is the most important document to both student/ parent and director to ensure proper playing time/ accountability for all assignments. Each band member is <u>required to practice 130 minutes per week</u> and is easily done with (5) increments of 26 minute

endurance, proper posture and progress will be hindered.

Please spread out practice time over at least four days of the week.

Practice Assignments 5th Six Weeks Mouthpiece, Lines from the Book, One Octave Scales, Counting, Rudiments (perc)
